ACTIVITIES

I have been involved in the Charlotte Tennis Pro League Since 2008. For multiple years I was Chair of the Charlotte Pro League Committee and have twice Captained a team to win the Championship.
I am currently Head of the American Platform Tennis Association Men's Players Committee as well as the APTA Super Tournament Committee and have competed at the highest level attaining a ranking of 12 with multiple matches Live Streamed with Announcers. Platform Tennis is a game of strategy and problem solving, often called "The Chess" of Racquet Sports.
